Resumé for Zero the Hero

Objective: To help clients achieve Zero Vacancy

- Skills:**
- Search for retailers who meet clients' facility and demographic requirements.
 - Connect clients directly to retailer site selectors via email, phone, fax, address, etc.
 - Mass-market clients' properties via email to the retail tenant matches.
 - Sling poo at the competition.
 - Design graphic brochure for print and email.
 - Export retailer information to an Excel file.
 - Find retailer contact information by country, region, or state.

Professional Experience:

From 1985 to present I have been the Retail Tenant Specialist for Retail Lease Trac, Inc. I research and manage the contact information, facility and demographic information for over 6,000 local and national retail site selectors. I verify the contacts' information every 120 days so my clients never have to worry about the accuracy of my data.

Education:

A Ph.D. in Retail Tenant Information Services, school of Do-It-Right or Go-Home. Graduated Magna Cum Laude and voted most likely to succeed.

Hobbies:

Attending ICSC, EDC, CCIM, Technology, Information, & Networking Trade Shows and eating bananas.
